**RE: Issuance of Findings of Violation and Order for Compliance for Waimanalo  
Gulch Sanitary Landfill – CWA-309(a)-12-003**

Dear Mr. Barroll:

On behalf of Waste Management of Hawaii, Inc. ("WMH"), I am responding to your letter dated December 20, 2011, concerning the above-referenced matter. This is to confirm that WMH and CCH are available for a meeting and video/telephone conference on January 12, 2012, at 11:00 am, to discuss the Findings of Violation and Order for Compliance for Waimanalo Gulch Sanitary Landfill ("Order").

WMH has acted in good faith to comply with reasonable requirements and deadlines set forth in the Order to the extent feasible and will continue to do so. However, to the extent certain requirements and deadlines are subject to change pursuant to the meet and confer, WMH respectfully suggests it is reasonable to postpone enforcement of those requirements. Specifically, and without waiving its right to raise other issues during the meet and confer, WMH respectfully requests that EPA postpone the January 2, 2012 deadline set forth in Paragraph 12 of the Order for submittal of an enhanced stormwater management plan until a reasonable period of time after the meet and confer.

WMH looks forward to the opportunity to discuss this matter further with EPA on January 12, 2012, at 11:00 am PST. Prior to that date, WMH will send you a suggested agenda to address certain issues we hope to discuss with you regarding the findings and the requirements of the Order, pursuant to your request in your letter.

Sincerely,

Kimberly Leue Bick
